

READY MADE eMARTS

“Websites should *make* your fortune,
not cost a fortune”.

WHO NEEDS READY MADE eMARTS?

Brokers, Agents and Sales Reps selling upscale products & services,
requiring multiple categories and a large library for photos & copy.

- Custom built sites of this type can cost \$30-50,000+ and take 3 to 6 months to build.
- Our Masters eMart costs \$5,000 - \$10,000 and can be ready in 2 weeks.

READY MADE eMARTS

- Created for Brokers, Agents and Sales Reps by a Professional Marketing Team.
- Visually adapted to Your Brand for a fraction of the cost of a custom built site.
- You own it*, market it and retain 100% of the revenue. *Not for re-sale.

READY MADE eMARTS MAY NOT BE FOR EVERYONE

Our most robust Master eMARTS may not have all the features you desire. Our simplest eMARTS, like the one you are in, may not fit your needs. However, if you are prepared to make some minor compromises, READY MADE eMARTS can save you thousands of dollars, months of waiting, and be just right for you.

WHAT ARE THE OTHER OPTIONS?

If READY MADE eMARTS are not for you, we can probably connect you with the Solution Provider who is. eMail, or call to discuss.
